MVRC Monthly Meeting at the Field, Friday, Sept. 5th

President's Corner

Fellow MVRC Members:

The Giant Scale Airshow is coming together. Nick Carrozza and spouse, Sotta, are busy working their magic to make the event a bigger success than last year. We all know that it takes a great deal of work and a team of volunteers to help pull all the tasks together. Your help is needed! Please contact Nick or myself to volunteer. We are grateful and appreciative and understand that our spouses play an enormous role (not only supporting us) helping us with all the issues and tasks to make a great airshow.

A special thanks to the Westmoreland County Park employees for all of their assistance. Please express our thanks when you see them at the park.

Dave Herrington is working with Nick to provide and set up the audio system for the event. Mike Bunardzya is working on the signage for the event and helping with spectators. Lew Marascalco

has agreed to provide support to help with managing the field arrangement and help guide spectators. Jerome Moran has agreed to help manage the spectators and parking. Pete Lavaca and Mary Ann are helping with managing the spectators (adults and children). Bill Hass and spouse Audrey are volunteering to help where help is needed. Ron Novack and spouse Donna are working with Nick. Bob Walter, Mike Eiben, and Rick Altomari is volunteering and Alan Lesko is driving the spectators from the parking area to the airfield with a cart provided by Guy (airfield neighbor). My spouse Kathy and I will be helping with the food and if I missed anyone I will follow up in next month newsletter.

The field is taking shape. The parking extension is complete. We are moving railroad ties from the back of the storage building to the new parking extension location. We are asking the park to clear the area behind the new parking extension for easier access. We are also trying to clear the

weeds at the end of the parking extension for the tents. The park is providing the tents for the event. We have the baseball fields reserved along with the shelters number 14 and 15 to keep the area clear for safety. We ordered two extra portable restrooms for the event. We are also trying to get the park to provide temporary bleachers for the spectators. We are working on renting golf carts to carry spectators from below the parking area up to the field.

This will be the last meeting at the airfield this year. The meeting is at 7:00 pm September 5. We have lots to discuss. This includes the Giant Scale Airshow, family picnic, Christmas party, permanent restroom, shelter facility and electricity. The October 3rd meeting will be at the Rostraver Municipal Building at 7:30 pm.

I will continue to use the internet as much as possible to communicate with our members. Please let me know if you have any suggestions, questions, items of concern or anything you would like to discuss or bring up at our meetings. My email is Kozusko@comcast.net. If you do not have email access, please call me at my residence 724-872-4030 or cell phone 412-445-0614. We want to make sure we have everyone's email and phone number to keep you aware of what our club is doing and what you can do for our club.

Keep healthy, be safe, have fun flying!

Minutes for August 1, 2014

The meeting was called to order at 7:05 PM. The officers in attendance were the President and Secretary.

The minutes from the July meeting were read and approved.

Treasurer: Ron is working and sent an email report. MVRC treasury is sound..

Correspondence: none

Executive Committee: no meeting

Field Report: Rick reported all is good. We may try to roll the field before the giant scale. Rick used the weed wacker a few days ago.

Old Business: Al reported Giant scale is Sept 6 and Sept 7. Permits for ball fields and pavilions are done. Two additional porta johns are ordered. The county park will supply the tents. Advertising is being updated. We need volunteers. Nick and Al are working on vendors. Discussion concerning food took place. Nick requested \$600 for food. Club ok'ed. Discussion concerning shuttling folks took place.

Float fly at acme is tomorrow. It may be cancelled to rain. Watch for an email with details for tomorrow. Dave Harrington has offered to provide a trailer however John Hathaway reported he received an email a boat has been secured for tomorrow.

Family picnic is Sept 28. Same thing as last year. Everyone bring a dish.

We do not have a date or place for the Christmas party. Please provide suggestions and dates to Al.

Discussion on new restroom placement took place. A few issues need to be determined. For example the ADA requires less than a 2% grade. This has ruled out several locations. The funding for this is coming from a special citizens group. Using the current pavilion as the location of the new restroom was discussed.

We are still looking at electricity.

There is discussion on a new shelter.

Cedar Creek Fun Fest is Aug 10. Al passed out parking permits. Field will be open.

Safety Officer: No report

Newsletter: Walt did not have a report.

Web Site: Dave Harrington reported he will have the current newsletter available online soon.

Show n Tell: None

The meeting adjourned 7:50 pm
